Welcome all to our October Newsletter

First a big thank you to members of the committee (excluding me) who undertook a working bee on the range recently - well done - more is planned.

Your committee has been fairly busy lately with close of the clubs financial year and preparations for our upcoming AGM and Special General Meeting.

You will have to read this carefully as there are a few very relevant attachments to this diatribe.

Both The AGM and Special General Meeting will be held on Sunday 21st of November commencing at 13.00 (1pm) in the club rooms at Monarto.

Yes this is a shoot day and yes you can bring up your toys to play in the morning!

This email serves as formal notice of both meetings.

Please note both meetings are being called under, and will be dealt with as per, the existing constitution.

The Special General Meeting is being held to approve a new constitution - you have all seen it before but I have attached both the old and the new ones for your considered review. Part of this new constitution will include the addition of bylaws which are also being modified - again you have been advised of these changes - copy also attached.

The Annual General Meeting will deal with usual matters including election of Council (Management Committee). To this end I have included a link to a nomination form. Please note this must be returned to me (as Secretary) **no less than 14 days prior to the AGM**

The committee has agreed to accept emailed nominations.

I have also included a copy of last years AGM minutes for your information.

[/Nomination_form_for_Management_Committee.pdf](#)

Timetable - We have been working with SSAASA and other clubs using ranges 1 - 4 to establish a timetable for 2022. As part of these negotiations we have agreed to move our main weekend shoot from the third to the second weekend of the month. This is mainly to allow Precision to split their weekends. Handgun have changed their timetable to free up the second weekend for us.

We have exactly the same number of days as last year and in fact have a few less 'shared' days with Handgun than previously. State Titles, MESS and Fly Titles have been agreed with SSAASA.

So - we have locked in the dates (only very recently) and will now look to allocate our events in the near future - I have attached a list of the days so you can get them in your diary - information of actual events will be finalised soon.

[/MMSRC Program 2022 Version 2 Dates only.pdf](#)

Finally our upcoming shoots;

October 23rd & 24th

October 27th - Wednesday

November 17th Wednesday

November 20th & **21st - AGM Day**

.

That's all folks!!
